Mail:

Referent commitment

The user undertakes to inform the referent in the event of the need for tools or sawdust.

The user undertakes to inform the referent in the event of damage.

The user undertakes to inform the referent in the event of an anomaly in the degradation of the compost or a technical problem with the composter.

Site referent contact: _____

Technical commitment

The user undertakes to respect the instructions of the composter.

Training commitment

The user undertakes to train with the referent of the site, in order to manage permanence and interventions (turning around the compost, obtaining sawdust, removal of compost, etc.).

A minimum of ___ permanence must be held in the year.

Commitment on duty and interventions

The user agrees to manage the times schedule of permanence with the site referent.

For this, the email and telephone contacts of the users are known to the site referent. The referent's email and telephone contacts are known to users.

Email and telephone contacts are only used in the context of permanence, interventions or information around the composter.
